NATURE OF THE SUIT

1. This is an *in rem* action for cybersquatting under the Federal Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d).
2. Studies have shown that over 95% of the 500 most popular sites on the Internet are targets of “typosquatting”—registration or use of a domain name that represents a typographical error of the legitimate site, and which is typically used to display advertisements related to the legitimate site, to distribute computer viruses or “malware,” or to collect visitors’ personal information for inappropriate or illegal uses.

3. Typosquatting harms consumers by causing confusion with the legitimate sites being sought by the consumers and very often results in consumers' computers being infected with computer viruses, "bloatware" or other unwanted software, consumer's personal information being collected and misused, and/or consumers being presented with an endless stream of unwanted advertisements.

4. In the present case, Plaintiffs' invaluable rights in the distinctive ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRES SCREEN marks have been deliberately infringed through the bad faith registration and use of the Defendant Domain Names, which domain names are confusingly similar to Plaintiffs' marks. Plaintiffs previously have taken action to protect consumers from similarly confusing domains through the pursuit of a number of suits in this Court, obtaining the transfer of domain names that infringe upon the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRES SCREEN marks and were registered and/or used in bad faith. *See Central Source LLC v. aannualcreditreports.com*, 1:21-CV-1439 (E.D. JURISDICTION, VENUE AND JOINDER

149. This is a civil action for federal cybersquatting in violation of the Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d).

150. This Court has original jurisdiction under 15 U.S.C. § 1121(a) and 28 U.S.C. §§ 1331 and 1338(a).

151. This Court has *in rem* jurisdiction over the Defendant Domain Names pursuant to 15 U.S.C. § 1125(d)(2)(A). *In rem* jurisdiction is appropriate under 15 U.S.C. § 1125(d)(2)(A)(ii) because there is either no registrant field corresponding with the Defendant Domain Names, or where there is a registrant field, that field reflects a privacy service, a fictitious person/entity,

and/or an individual residing outside the United States, and therefore Plaintiffs cannot obtain *in personam* jurisdiction over a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A) and/or Plaintiffs, despite their due diligence, have been unable to find a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

152. Pursuant to 15 U.S.C. § 1125(d)(2)(A)(ii)(II)(aa), Plaintiffs will give notice of the violations of Plaintiffs' rights, and Plaintiffs' intent to proceed *in rem*, to the contact addresses set forth in the registration records for each of the Defendant Domain Names.

153. Venue is proper in this District pursuant to 15 U.S.C. § 1125(d)(2)(C) in that the .COM and .NET domain name registry operator, VeriSign, Inc., is situated in this judicial district, and the Defendant Domain Names are all either .COM or .NET domain names.

154. Joinder of the Defendant Domain Names is proper under Fed. R. Civ. P. 20(a)(2) in that the *in rem* cybersquatting claim set forth herein appears to arise out of the same series of transactions and the same questions of law are common to all of the Defendant Domain Names.

168. The mandatory disclosures required by federal law under 15 U.S.C. § 1681j(g) and 12 C.F.R. § 1022.138 have resulted in millions of references to ANNUALCREDITREPORT being presented to consumers.

169. Through promotion of ANNUALCREDITREPORT by Central Source, the FTC, and third parties that are statutorily required to identify ANNUALCREDITREPORT, the ANNUALCREDITREPORT mark has become famous and/or distinctive throughout the United States in connection with Central Source's services.

195. Plaintiffs have engaged in significant efforts to protect consumers by *inter alia* defensively registering domain names that represent typographical variations of the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks, and by pursuing the disabling of domain names that are being used to confuse and mislead consumers.

196. Where necessary, Plaintiffs also have successfully pursued legal action to obtain the transfer to Plaintiffs of domain names that infringe upon the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks and were registered and/or used in bad faith.

197. The Defendant Domain Names represent either typographical errors (known as "typosquatting") or wholesale incorporations of the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks.

198. Upon information and belief, the typosquatting Defendant Domain Names were registered for the purpose of obtaining Internet visitors when such visitors make a typographical error on their keyboard when attempting to reach Plaintiffs' legitimate websites.

199. Upon information and belief, the Defendant Domain Names wholesale incorporating the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks were registered for the purpose of misleading consumers to believe that they offer legitimate credit reporting services.

200. None of the Defendant Domain Names are configured to direct to websites that are offering bona fide services, some direct or have directed to sites including pay-per-click advertising, and others are configured to distribute malware.

201. Upon information and belief, the registrant(s) of the Defendant Domain Names receive compensation when Internet visitors, who were attempting to reach Plaintiffs' legitimate websites, are misdirected to the Defendant Domain Names.

202. Numerous Defendant Domain Names are for sale on domain marketplaces at exorbitant prices that do not reflect the value of the domains themselves, and instead reflect an attempt to leverage the value of Plaintiffs' marks.

203. The use of the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks within the Defendant Domain Names and/or associated websites is without authorization from Plaintiffs.

204. Upon information and belief, the Defendant Domain Names do not and cannot reflect the legal name of the registrant(s) of the Domain Names.

205. Upon information and belief, the registrant(s) of the Defendant Domain Names have not engaged in bona fide noncommercial or fair use of the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks in a website accessible under the Domain Names.

206. The websites displayed by the registrant(s) of the Defendant Domain Names are likely to be confused with Plaintiffs' legitimate online locations.

207. Upon information and belief, the registrant(s) of the Defendant Domain Names registered the Domain Names with intent to divert consumers away from Plaintiff's legitimate online locations, for commercial gain, by creating a likelihood of confusion as to the source,

sponsorship, affiliation or endorsement of the Defendant Domain Names and the sites displayed through use of the Defendant Domain Names.

208. Upon information and belief, the Defendant Domain Names are being used to display websites that do not comply with the mandatory disclosure provisions of 15 U.S.C. § 1681j(g) and 12 C.F.R. § 1022.138.

209. Upon information and belief, the registrant(s) of the Defendant Domain Names provided material and misleading false contact information when applying for and maintaining the registration of the Defendant Domain Names in that they concealed identifying information and/or the person or entity identified as the registrant of the Defendant Domain Names is not the true owner of the Domain Names.

210. Upon information and belief, the registrant(s) of the Defendant Domain Names use services that conceal a domain name owner's true contact information.

211. Upon information and belief, if the Defendant Domain Names were registered by different people or entities, the registrants of the Defendant Domain Names acted in concert given that the Defendant Domain Names used similar forms of cybersquatting and were registered or updated within the same time frame. *See* Exs. 1-140.

COUNT ONE:
(Violation of the Federal Anti-Cybersquatting Consumer Protection Act)

212. Plaintiffs repeat and reallege each and every allegation set forth in the foregoing paragraphs, as though fully set forth herein.

213. Plaintiffs' federally registered ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRESCREEN marks are famous and/or distinctive and were famous and/or distinctive prior to the time of registration of the Defendant Domain Names.

214. The aforesaid acts by the registrant(s) of the Defendant Domain Names constitute

registration, maintenance, trafficking in, or use of domain names that are confusingly similar to Plaintiffs' ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRES SCREEN marks, with bad faith intent to profit therefrom.

215. In light of the registrant(s)' concealment of the identities of the true owners of the Defendant Domain Names and/or the registrant(s)' location outside the United States, Plaintiffs are not able to obtain *in personam* jurisdiction over the registrant(s) of the Defendant Domain Names or any other person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

216. Plaintiffs, despite their due diligence, have been unable to find a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

217. The aforesaid acts by the registrant(s) of the Domain Names constitute unlawful cyberpiracy in violation of the Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d)(1).

218. The aforesaid acts have caused, and are causing, great and irreparable harm to Plaintiffs and the public. The harm to Plaintiffs includes harm to the value and goodwill associated with the ANNUALCREDITREPORT, E-OSCAR, and OPTOUTPRES SCREEN marks that money cannot compensate. Unless permanently restrained and enjoined by this Court, said irreparable harm will continue. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), Plaintiffs are entitled to an order directing the current registrars of the Defendant Domain Names to be changed to Plaintiffs' registrar of choice and directing the registrant(s) to be changed to Plaintiffs.

PRAAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully requests of this Court:

1. That judgment be entered in favor of Plaintiffs on their claim of cybersquatting.

2. That the Court order the registrars of the Defendant Domain Names corresponding to the ANNUALCREDITREPORT Mark be changed by the registries to Central Source's registrar of choice, and that the registrar change the registrant(s) to Central Source.

3. That the Court order the registrar of the Defendant Domain Name E-OSCAR.NET be changed by the registry to OLDE's registrar of choice, and that the registrar change the registrant(s) to OLDE.

4. That the Court order the registrars of the Defendant Domain Names corresponding to the OPTOUTPRESCREEN Mark be changed by the registries to OOS's registrar of choice, and that the registrar change the registrant(s) to OOS.

5. That the registrar of any other domain names registered by the registrant(s) of the Defendant Domain Names that resemble or include the ANNUALCREDITREPORT, E-OSCAR, or OPTOUTPRESCREEN mark be changed to Plaintiffs' registrar of choice and that such registrar change of the registrant(s) to Plaintiffs.

6. That the Court order an award to Plaintiffs of such other and further relief as the Court may deem just and proper.
